NEW COLLECTION SS23

INDEX

Kave Magazine nº12

March 2023

EDITORIAL

In the twelfth edition of our Kave Magazine art is presented through the campaigns, collaborations, and design of the product.

This season, we've created Mediterranean atmospheres filled with peace and comfort for interiors and outdoor spaces. We want to reconnect with the environment through natural materials and textures like cotton, linen, and solid wood.

We remain committed to the environment and social projects with the Kave Cares program, expanding our collections with sustainable products and local production.

ABOUT COMFORT

ABOUT COMFORT

Comova collection: 2 seater sofa – 3 seater sofa – Coffee table
Side table – Sabolla armchair – Garbet coffee table

The Comova collection, in which comfort, design, and quality come together to create an extraordinary collection. With a minimalist feel and timeless elegance, thanks to its aluminium structure.

An exclusive design from Kave Home available in 3 finishes with Crevin fabric, 100% suitable for outdoor spaces. Made in Spain, in local workshops.

Comova armchair

Comova 100% outdoor aluminium coffee table

ABOUT COMFORT

ABOUT COMFORT

PIECES WITH
A MINIMALIST
ESSENCE THAT
INSPIRE CALM.

DISCOVERING ABOUT COMFORT

The idea behind this collection is to create a selection of pieces for both in and outside of the home, which are inspired by minimalism, and which adapt to your spaces.

Natural materials such as wood and cotton are the stars of the collection, contrasting with the cement and metal present in the accessories and outdoor furniture.

Neutral tones like beige and white dominate the colour palette, leading to the creation of an atmosphere of relaxation.

Canadell bench
Banyoles jug

Discovering the Outdoor collection

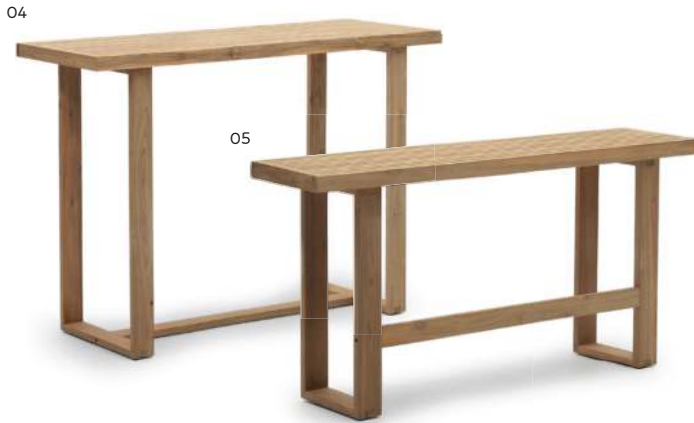

The idea behind the collection is to create balance in your outdoor spaces. With a palette of natural and light colours, we create an atmosphere in which light is the most important element. The materials, different textures, and employed techniques such as weaving impart that special touch.

Make your spaces somewhere you can disconnect.

We place high value on the origin of our wood

As an environmentally responsible brand we create more than just sustainable products. We consider the entire manufacturing process to be important, from the origin of our primary materials, through our production processes, to working with providers that share our values.

For yet another year, we've renewed our FSC™ Chain of Custody certification, which verifies the traceability of pieces sourced from FSC™-certified forests along the entire supply chain, sustaining a responsible model of forest management.

The paper and printing system of this magazine is completely ecological, biodegradable and recycled.

Salma serving board – Tamariu mustard ceramic vase

Beef carpaccio

with pistachio vinaigrette and parmesan shavings

4 SERVINGS – 15 MINUTES

INGREDIENTS

300g finely sliced beef
Parmesan shavings
1 lemon
A pinch of pepper
Salt
5 tbsps virgin olive oil

Vinaigrette:

150g peeled pistachios
Extra virgin olive oil

PREPARATION

1. Slice the beef very finely.
2. For the vinaigrette, chop the pistachios and add salt, pepper to taste, oil, and a splash of lemon.
3. Mix well, and drizzle over the carpaccio.
4. For the last step sprinkle over the parmesan shavings.

Optional:

Decorate with chopped spring onion or rocket.

Delci acacia wood pestle and mortar

Delci set of 2 wooden bowls

Spaghetti alle vongole

with shell on clams

4 SERVINGS – 25 MINUTES

INGREDIENTS

350g spaghetti
1kg of clams, shell on
Chopped parsley
Black pepper
1 clove of garlic
Salt
5 tbsps of extra virgin olive oil

PREPARATION

1. Immerse the clams in cold water and salt for 2 hours.
2. Dice the garlic and fry briefly in a pan over a medium heat with hot oil until it turns a golden colour.
3. Add the clams and a little pepper.
4. Cook the pasta in water and salt until it's al dente.
5. Strain the pasta, add it to the pan, and sprinkle chopped parsley over the dish.

Optional:

If you're a lover of cheese, you can also top with parmesan.

Portbou serving board

Delci pasta measurer

Portbou ceramic bowl – Portbou dinner plate
Sheilyn oven dish

Sense of Taste

Red fruit tart

with custard cream

4 SERVINGS – 60 MINUTES

INGREDIENTS

A mix of berries
Powdered sugar (for sprinkling)
1 roll of shortcrust pastry

Filling:

150g sugar
3 organic egg yolks
75g flour
1l milk
1 cinammon stick
Lemon peel

PREPARATION

1. Roll out the shortcrust pastry and fit it into the mold, cutting away any leftovers.
2. Fill the bottom of the base with dried beans to prevent the dough from rising in the oven.
3. Place the base in the oven and set the heat (according to the packet instructions)
4. To make the cream, combine the egg yolks and flour, mixing well and thoroughly to avoid any lumps.
5. In a separate bowl mix the cinammon, milk, and lemon peel. Heat for a few minutes until the mixture thickens.
6. Leave to chill, and then gently spoon the mixture into the pastry.
7. Finally, decorate your tart with your berry mix and sprinkle the powdered sugar on top.

KAVE HOME AT

ARCOmadrid

2023

Renowned designer Isern Serra has been selected by Kave Home to design this immersive piece, "Sea of Sparkles", inspired by the Mediterranean and the shimmers of light created by reflections on the water's surface, transporting us to a unique, magical moment in time.

More at:

KaveHome.com/KaveHomeARCOmadridEN

It's a luminous installation conceived to act as a grand concentration of light, that both crowns the space and bathes the room and pieces from the brand in light.

This project makes up part of Kave Circular, the project that promotes circularity for our furniture pieces, extending their useful lives.

Sea of Sparkles will be exhibited in another location once ARCOmadrid has ended.

Catalina green cord armchair – Jeanette side table – Geralda armchair
Nina chair in solid acacia wood

The new collection for the littles ones at home is designed to create a unique space where their imagination and creativity can flourish. The pieces are inspired by nautical environments, playing with their materials and colours.
